Developing Strategies and Actions to Reduce Pressures on the Puget Sound Ecosystem

The 2011 update to the Action Agenda will focus on developing strategies and actions that help achieve targets for reducing five pressures on the Puget Sound ecosystem:

- Shoreline alteration
- Runoff from the built environment
- Land development
- Wastewater
- Loss of floodplain function

Interdisciplinary teams are leading this work. Team membership and contact information for team conveners is listed below.

Shoreline alteration (marine & freshwater) including nearshore restoration
Todd Hass, Partnership staff convener (todd.hass@psp.wa.gov)
George Blomberg, Port of Seattle
Margen Carlson, Washington Department of Fish and Wildlife
Randy Carman, Washington Department of Fish and Wildlife
Patty Charnas, Kitsap County
Tom Clingman, Washington Department of Ecology
John Gabrielson, Environmental Protection Agency
Ryan Larsen, City of Anacortes
Jeanette McKague, Washington REALTORS
Doug Meyer, People for Puget Sound
Dave Peeler, People for Puget Sound (alt)
Lisa Randlette, Washington Department of Natural Resources
Morgan Schneidler, Puget Sound Partnership
Peter Skowlund, Washington Department of Ecology
Naki Stevens, Washington Department of Natural Resources
Curtis Tanner, Washington Department of Fish and Wildlife

Runoff from the built environment
Bruce Wulkan, Partnership staff convener (bruce.wulkan@psp.wa.gov)
Allison Butcher, Master Builders Association of King and Snohomish Counties
Dana Deleon, City of Tacoma
Karen Dinicola, Washington Department of Ecology
Jenny Gaus, City of Kirkland
Chris May, Kitsap County
Doug Navetski, King County
John Palmer, U.S. EPA Region 10
Dave Peeler, People for Puget Sound
Tom Putnam, Puget Soundkeeper Alliance
Larry Schaffner, Washington Department of Transportation

Jim Simmonds, King County
Naki Stevens, Washington Department of Natural Resources
Chris Wilke, Puget Soundkeeper Alliance

Land development
Judith Leckrone Lee, Partnership staff convener (Judith.Leckrone.Lee@psp.wa.gov)
Neil Aaland, local government
Norman Abbott, Puget Sound Regional Council
Leonard Bauer, Washington Department of Commerce (alt)
Jaclyn Ford, Washington Department of Agriculture
Kim Harper, Washington Department of Ecology
Angie Homola, Island County
Abby Hook, Tulalip Tribes
Larry Keeton, Kitsap County Department of Community Development
Katie Knight, Washington Department of Fish and Wildlife
Sandy Mackie, Association of Washington Business
Jeanette McKague, Association of Washington Business (alt)
Kelly McLain, Washington Department of Agriculture
Doug Peters, Washington Department of Commerce
Naki Stevens, Washington Department of Natural Resources
Chris Townsend, Puget Sound Partnership
Tim Trohimovich, Futurewise
Ron Wesen, Skagit County Commissioner
Daryl Williams, Tulalip Tribes

Wastewater (including sewer systems and on-site sewage systems)
Duane Fagergren, Partnership staff convener (duane.fagergren@psp.wa.gov)
Dave Bergdolt, Brown and Caldwell
Margen Carlson, Washington Department of Fish and Wildlife
Michael Brett, University of Washington
Betsy Cooper, King County
Sue Davis, Thurston County
John Eliasson, Washington Department of Health
Stuart Glasoe, Washington Department of Health
Keith Grellner, Kitsap County
Bob Hager, Lower Hood Canal Watershed Coalition
Jo Ellen Henry, U.S. Environmental Protection Agency
Julie Horowitz, Hood Canal Coordinating Council
Terry Hull, Enterprise Cascadia
Andrew Kolosseus, Washington Department of Ecology
Denise Lahmann, Washington Department of Health
Mindy Roberts, Washington Department of Ecology
Randy Shuman, King County
Art Starry, Thurston County
David Stensel, University of Washington
Naki Stevens, Washington Department of Natural Resources
Corinne Story, Skagit County

Mark Toy, Washington Department of Health
Dave White, King County

Loss of Floodplain Function
David St. John, Partnership staff convener (david.st-john@psp.wa.gov)
Neil Aaland, local government
Eric Beamer, Skagit River System Cooperative
Tim Beechie, NOAA
Bob Carey, The Nature Conservancy
Mark Carey, Department of Homeland Security
Alan Chapman, Lummi Nation
Tom Clingman, Washington Department of Ecology
Tim Devries, Skagit County
Mark Eberlein, Department of Homeland Security
Barry Gall, Department of Homeland Security
John Graves, FEMA
Alan Hamlet, University of Washington
Julie Henning, Washington Department of Fish and Wildlife
Abby Hook, Tulalip Tribes
Tim Hyatt, Skagit River System Cooperative
Deeann Kirkpatrick, NOAA
Katie Knight, Washington Department of Fish and Wildlife
Christopher P Konrad, USGS
Steven Landino, NOAA
Patricia Olson, Washington Department of Ecology
George Pess, NOAA
Kit Rawson, Tulalip Tribes
Scott Redman, Puget Sound Partnership
Cynthia Rossi, Point No Point Treaty Council
Byron Rot, Jamestown Sklallam Tribe
Michael Rylko, US EPA
Tom Sibley, NOAA
Dan Siemann, National Wildlife Federation
Kathy Taylor, Washington Department of Ecology
Jim Weber, Northwest Indian Fisheries Commission
