

## Species, Biodiversity, and Food Web Topic Forum Workshop

May 1, 2008

TOC Conference Center

---

### Workshop Agenda

9:00 Welcome, introduction and setting the context *Martha Neuman*

- Puget Sound Partnership and its charge
- Topic Forum overview
- Expectations for the workshop

9:10 Review of the day's agenda *Angie Thomson*

9:15 Core team introduction *Laura Blackmore*

---

### Session 1: What do we know about the status and threats to Puget Sound?

9:20 Risk analysis presentation *Mary Ruckelshaus*

9:35 Core team presentation *Wayne Palsson*

Discussion *Facilitated by Angie Thomson*

- What did we get right?
- Have we missed any major findings?
- What are the key themes from this paper that should carry forward to the Action Agenda?

10:30 Break

---

### Session 2: What is the documented effectiveness of solutions to addressing the threats? What are we currently doing to address the problem?

10:40 Core team presentations *Wayne Palsson & Joe Gaydos*

Discussion *Facilitated by Angie Thomson*

- What did we get right?
- Have we missed any major findings (in the literature)? Locally? Elsewhere?
- What are the key themes from this paper that should carry forward to the Action Agenda?

12:00 Lunch (*on your own*)

---

## **Session 3: What criteria should we use? What actions should we stop, add, realign, continue?**

1:00 Core team presentation

*Mary Mahaffy*

1:15 Breakout sessions: Facilitated discussion of key questions

- Have we accurately captured the principles that should be reflected in the strategies to address threats to Puget Sound?
- Did we capture actions that should continue, be added, be changed or stopped?
- What are the key themes from this paper that need to be carried forward into the Action Agenda?

2:45 Break

3:00 Summary of breakout discussions

*Facilitators*

3:15 **Wrap-up & next steps**

*Angie Thomson*

3:30 **Adjourn**
