

Whidbey Action Area Programs

Organization	Program Name
Habitat & Land Use	
City of Arlington	Graafstra floodplain purchase
	Land Use Code, and Code enforcement program
	Quarterly Newsletter
	NOAA Fisheries Matrix of Pathways and Indicators done in 2001.
	Stream corridor fund
	Community Development
	Economic Development program
City of Burlington	Gages Slough Management Plan
City of Carnation	City Comprehensive Plan
	Shoreline Master Program
	New public sewer system to replace failing septic systems
	Critical Areas Ordinance, including habitat protection
	educational materials on water wise and non-chemical lawn care and gardening, proper waste disposal, etc.
City of Everett	Growth Management Act and Shoreline Management Act Compliance
	Marshland Subarea Plan
	Salmon Recovery
City of Gold Bar	Development of Golden Pond Passive Park
	Gold Bar Comprehensive Plan
City of Marysville	Critical Area Ordinance
	Shoreline Master Program
City of Monroe, WA	Shoreline Master Program
City of Mount Vernon	Critical Areas Ordinance
City of Mukilteo	Multi-modal Terminal and Access Study
	1998 City of Mukilteo Comp Plan
City of Seattle	Tolt FERC License Implementation
	ESA Habitat Early Actions
	Skagit River Hydroelectric Project FERC License Implementation
City of Snoqualmie	Shoreline Master Program
	Snoqualmie Watershed Forum
City of Stanwood	Stanwood Comprehensive Plan
	Shoreline Master Plan
	Comprehensive Parks & Recreation Plan
	Special Operations
	Fish Habitat Improvement Programs
City of Sultan	Repetitive Flood Loss Buy-out
	2004 Comprehensive Plan
	Bank Restoration - Wagley Creek
	2007 Shoreline Master Plan
King County	Flood Buyout Program
	Home Elevation Program
	Waterways 2000
	King County Regional Trails Plan
	Opportunity Program

Whidbey Action Area Programs

Organization	Program Name
King County	DCFM Department of Facilities Management
	Park and Open Space Capital Planning for Acquisition, and Development
	King County Park, Recreation and Open Space Plan
	Stewardship of Park Resources
	Watershed Management CIP (WMCIP)
	Small Habitat Restoration Program (SHRP)
	General Road Maintenance Activity - KCDOT Road Services Division, Road Maintenance Section
	multiple - KCDOT Road Services Division, Road Maintenance Section
	Fish Passage and Habitat Improvement Programs (AKA ESA Early Action Projects)
	Large Development Projects & Small Development Projects Impacting Streams & Other
	Coastal Zone Management Certification compliance (Ecology)
	Use of state-owned aquatic lands (State Dept. of Natural Resources)
	Farmland Preservation Program
	Acquisition
	King County Roads Services Division - Mitigation, Monitoring, and Remediation Program
	Greenprint Program
	The Rural Forest Commission
	King County has land management programs critical area, stormwater, shoreline, and clearing and grading regulations
	The King County Comprehensive Plan (
	King County Roads participates in the Regional Road Maintenance Endangered Species Act Program
	Rural Stewardship Program
	Community outreach and grants
	Green Building Program
	Forestry Technical Assistance
	CAO monitoring program.
	Planting stream and river buffers on farmland
	King County Road Services Division - Fish Passage Restoration Program
	Short Span Bridge Replacement Program
	Stormwater Drainage Program
	Salmon Recovery plans
	Office of Rural and Resource Lands Volunteer Program
	Natural Yard Care, Yard Talk TV, and Noxious Weeds Program
basin stewardship program	
salmon recovery plans	

Whidbey Action Area Programs

Organization	Program Name
King County Conservation District	Stream and Wetland Buffer Enhancement Projects
	Estuarine, Marine Beach or Marine Bluff Enhancement Projects
	Landowner Grants
	Livestock-owner Land & Water Stewardship Workshops & Technical Assistance/Planning
	Alluvial Fan Management
	Puget Sound Salmon Recovery Plan
	Marine Shoreline & Bluff Landowner Workshops & Technical Assistance/Planning
	Backyard Wildlife Enhancement
	Puget Sound Stewards
	Green A.C.R.E. Radio
Port of Anacortes	Shoreline Restoration Projects
	Eelgrass Mitigation Site in Fidalgo Bay
Port of Everett	Habitat Enhancement Program
	Union Slough intertidal Marsh Restoration
	Lower Snohomish River Estuary Mitigation Bank
	Jetty Island Management Program
	Clean Marina Program
Skagit Conservation District	Engineering Implementation
	Conservation Futures Advisory Committee
	Farmland Legacy Easement Monitoring
	Forestry Stewardship
	Conservation Reserve Enhancement Program
	Upper Watershed Restoration
	Skagit Watershed Council and SRFB Support
	Conservation Reserve Enhancement Program Status Reviews
Skagit County	Presentin Park habitat acquisition
	Skagit County Shoreline and Critical Areas Regulations
	Salmon Policy Resolution
	Parks interpretive centers/kiosks
	Skagit Marine Resources-Fidalgo Bay Day
	Skagit Marine Resources activities
	Skagit Marine Resources Committee
	Hansen/Red Creek Restoration
	Fish passage projects
	SRSC restoration projects
Skagit River System Cooperative	SRSC research/monitoring projects
	Land Acquisition
	SRSC Permit Review
	Stakeholder discussions
	SRSC Permit Database
	Habitat Restoration
	Restoration Monitoring
Skagit Watershed Council	3-Year Program

Whidbey Action Area Programs

Organization	Program Name
Snohomish Conservation District	Habitat Restoration Technician
	Education and Information Program
	Natural Resource Engineer Position
	Annual Tree Sale
	Easement Purchasing and Rental Programs
Snohomish Country Planning & Development	Critical Areas Regulations (CAR)
	Shoreline Regulations (SMP)
Snohomish County	Snohomish County Salmon Plan and Habitat Restoration - Capital
	Snohomish River Estuary Partnership
	Clean Water and Healthy Streams Initiative
	Adult, Youth, and Teacher Education
	Targeted Behavior Change
	Marine Resource Program
	Public Information and Resources
	Lake Management Program
	CAR Monitoring
	ESA Monitoring
	Ambient Water Quality Monitoring
	Project effectiveness monitoring
	Shoreline Management Plan
	Critical Areas Regulations
	Parks - Capital Programs
	Comprehensive Park and Recreation Plan
	Parks - Education and Outreach
	Parks - Science and Research
Habitat Work Schedule	
Snoqualmie Watershed Forum	Capital Programs
	Policy and Regulatory Programs
	Education and Outreach
	Science/Research and Modeling
Stewardship Partners	Salmon-Safe Certification
Stillaguamish Tribe	Stillaguamish Natural Resource Program
Stilly-Snohomish Fisheries Enhancement Task Force	Salmon habitat enhancement projects
	LE and TAG Stilly/Sno watershed advocate
	Restoration Ecology for Young Stewards
	Monitoring activities
Tulalip Tribes	Timber, Fish and Wildlife
	Reservation Wetland Mapping Program
	Restoration Program
	Permit Review Program
	Nearshore Program

Whidbey Action Area Programs

Organization	Program Name
Whidbey Island Conservation District	Crescent Harbor Restoration project
	Technical Assistance program for forest land owners
	Native Plant Sale
WRIA 6 Salmon Recovery Lead Entity	Lead Entity Activities - Capital Programs
	Whidbey Camano Land Trust - Capital Programs
	Multiple Salmon Recovery Partners - Capital Programs
	County - Policy and Regulatory Programs
	County, State and Federal Agencies - Policy and Regulatory Programs
	Lead Entity Activities - Education and Outreach Programs
	WSU Extension - Education and Outreach Programs
	County - Education and Outreach Programs
	Lead Entity Activities - Scientific/Research/Monitoring Programs
	Multiple Salmon Recovery Partners - Nearshore Feasibility Assessment
	Multiple Salmon Recovery Partners - Nearshore Restoration/Enhancement
	NW Straits Foundation/ Marine Resources Comm.
	Whidbey Watershed Stewards/ County
	WSU Extension - Nearshore Stewardship
	Tribal Natural Resource Orgs.
Whidbey Watershed Stewards - Monitoring	
Species, Foodweb, & Biodiversity	
City of Arlington	Eagle festival
	Spawning surveys
City of Marysville	Critical Area Ordinance
City of Monroe, WA	Critical Areas regulations
City of Seattle	ESA Fish Research Program
King County	CPP Policy CA-8 - fish and wildlife habitat
	KCCP Policy NE-603 -Preserve habitat for endangered species
	Local Action for Biodiversity
	Ecological Lands Program
	King County Comprehensive Plan
	Noxious Weed Control Program
	Shoreline Management Act
	Salmon Watchers
Naturescaping Program	
Northwest Indian Fisheries Commission	Species Enhancement Program
	Salmon Harvest and Assessment Programs
Orca Network	Whale Sighting Network & Education Program
	Marine Mammal Stranding Network
	Central PS Marine Mammal Stranding Network
Padilla Bay Estuarine Reserve	Coastal Training Program
Recreation and Conservation Office	Biodiversity Council
	Invasive Species Council
Skagit Conservation District	Backyard Wildlife Habitat

Whidbey Action Area Programs

Organization	Program Name
Skagit River System Cooperative	Harvest Management Program
	Harvest Management Research/Monitoring
	Indicator Stock Tagging
	Coho and Chinook Test Fishing
	Catch sampling
	Escapement Estimation
	Escapement Objective Analysis
	CWT Hatchery/Wild comparison
	Chinook Recovery Plan
	Salmon Harvest Management
	Salmon Research/Monitoring
Skagit Watershed Council	Salmon Recovery
Snohomish Basin Salmon Recovery Forum	Salmon Recovery Plan - Capital
	Salmon Recovery Plan - Policy and Regulatory Programs
	Salmon Recovery Plan - Education and Outreach
	Salmon Recovery Plan - Science/Monitoring
Snohomish County	Control of invasive aquatic plants
	Salmon Recovery Plans
	Marine Resource Program
	Mussel Watch
Stillaguamish Tribe	Tribal Natural Resources Program
Tulalip Tribes	Shellfish Management Program
	Invasive Species Program
	Juvenile salmon outmigration monitoring
	Salmon Harvest management
	Tulalip hatchery and hatchery reform
Tulalip Stock Assessment Laboratory	
Whale Watch Operators Association Northwest	Be Whale Wise guidelines/WWOANW Best Practices
Whidbey Audubon Society	Pigeon Guillemot Survey
WRIA 6 Salmon Recovery Lead Entity	WSU Extension - Juvenile Salmon Distribution
	Tribal Natural Resource Orgs.
	Federal and State Agencies
	Whidbey Watershed Stewards
Water Quality	
City of Arlington	Hazmat response
	Water Reclamation plant membrane technology project
	Pre-treatment program
	Drinking Water
City of Burlington	Storm and wastewater quality monitoring
City of Gold Bar	City of Gold Bar Well Head Protection Plan, Wells 1,2,3
	City of Gold Bar Well Head Protection Plan, Well 4
City of Langley	Stormwater
City of Marysville	Total Maximum Daily Load Monitoring
	NPDES Phase II Permittee
City of Mill Creek	Surface Water Mgt Action Plan

Whidbey Action Area Programs

Organization	Program Name
City of Monroe, WA	Wastewater treatment program NPDES phase II
City of Mount Vernon	Wastewater Treatment Plant Upgrade NPDES Phase II Stormwater permit Street sweeping and storm sewer maintenance program
City of Seattle	Aquatic Resource Protection Technical Assistance and Training Programs South Fork Tolt Water Temperature Management Program
City of Snoqualmie	Class A Reclaimed water program
City of Stanwood	Stanwood Water System NPDES for Construction Activities Road Maintenance
King County	Snoqualmie Gravel Removal Study Water Quality/Drainage Complaint & Investigation Program
	Water Quality Compliance and Enforcement Program Stormwater and Groundwater Monitoring Plan, King County Roads Division Operations & Maintenance and Sand & Gravel Facilities
	King County Stormwater Management Program 1996-2000
	CIP Monitoring Program
	Storm Water Pollution Prevention Practices (SWPPP's)
	Water Quality Monitoring Program
	NPDES Stormwater Management Program (governed by the County's NPDES permits administered by the Department of Ecology)
	Local Hazardous Waste Management Program
	Consolidated Reduction of Waste (CROW) and Street Waste Alternatives Program (SWAP)
	The King County Roads Hazardous Waste Program
	Industrial Waste Program
	Public education to reduce use of hazardous chemicals
	Wastewater Treatment Division
	Ambient Monitoring Program
	Contaminated Sites and Brownfields Program
	Local Hazardous Waste Mgmt Program (PHSKC)
	Agriculture BMP cost-share assistance and Stewardship Water Quality Cost Share
	NPDES Permit Education and Outreach
	Lake Stewardship program
	KC water quality monitoring programs
The Environmental Laboratory (Lab)	
Agriculture drainage assistance program	
SEPA/NEPA review process	

Whidbey Action Area Programs

Organization	Program Name
King County Conservation District	Farm Management Planning
	Capital Project Related to FP
Northshore Utility District	Rainbarrel Program
Padilla Bay Estuarine Reserve	Monitoring
Port of Anacortes	Stormwater Pollution Prevention
	Toxics Clean-up
Port of Everett	Marine Terminal Development Program
	Port Mitigation Strategy
	Dredged Material Management Program
	Storm Water Compliance Program
	Stormwater Management
Skagit Conservation District	Commercial Livestock Nutrient Management
	TMDL Planning And Implementation
	Stewardship for Small Acreages Workshop Series
	Skagit Stream Team
	Non-Commercial/Small Farm Nutrient Management
	Samish Bay Technical Advisory Committee 400-12 plan
	Watershed Masters
	Livestock BMP Cost Share
	Crop Farm Assistance
Skagit Conservation Education Alliance	Watershed Implementation Plan (WAC 400.12) review
	Public Awareness
	Businesses for Clean Water
Skagit County	Skagit County water quality and salmon habitat monitoring
	NPDES Phase II Stormwater permit
	Health Department
	On-site Sewage System Program
	Clean Water Program
Skagit County Public Health Department	Skagit County Public Health
Sno-Valley Tilth	Snoqualmie Valley Ecological-Agricultural Production District (Eco-APD)
Snohomish Conservation District	Hedgerows for Salmon Grant
	Small Farm Planning Program
	Small Farm Cost Share
	Dairy Planning
	Dairy Cost Share
	EQIP program
	NRCS Standards
	?
Snohomish Country Planning & Development	Grading and Drainage Ordinance
Snohomish County	Hazardous Waste Collection and Processing
	Organics Management and Recycling
	Water Quality Projects
	Stormwater Facilities
	Product Stewardship Program and Policy Work
	Stewardship Program
	Agricultural Outreach

Whidbey Action Area Programs

Organization	Program Name
Snohomish County	NPDES Compliance Response
	Drainage Complaint Response
	Illicit discharge investigations
	Toxic algae tracking
	NPDES permit administration
Stillaguamish Tribe	Stillaguamish Tribe Water Quality Program
Town of Coupeville	Coupeville Reclaimed Water Program
	Coupeville Stormwater Activities Program
Tulalip Tribes	Reservation Water Quality Monitoring
Washington State University Extension	Beach Watchers
Whidbey Island Conservation District	Farm Planning and Landowner Technical Assistance Program
	WICD LID Implementation, Education and Outreach program
	Partner in Whidbey Island Water Quality Efforts
WRIA 6 Salmon Recovery Lead Entity	County
	Multiple Salmon Recovery Partners
Water Quantity	
American Rivers	Instream Flow Rule-Making
City of Arlington	Stormwater Old Town wetland and other
	TESC
	Stormwater fee credits
	Conservation Leak detention program
	DOE 1997 wetland characterization
City of Carnation	Require new development to use 2005 DOE Stormwater Manual for Western Washington; on-site infiltration
City of Marysville	City of Marysville Floodplain Management
	Adoption of 2001 DOE Stormwater Mgt. Manual
City of Snoqualmie	Stormwater Management Plan
	Snoqualmie Floodplain Management Plan
City of Stanwood	Stanwood General Sewer Plan
City of Sultan	Waste Water Treatment Plant Upgrade
	NPDES Permitting, Utility Formation
	2005 DOE Manual
	Public Outreach & Education
	2007 Shoreline Master Plan
King County	Snohomish River Work Group
	KC Surface Water Design Manual
	KC Surface Water Facility Maintenance Program
	Guidelines for Bank Stabilization Projects, June 1993.
	KC Flood Hazard Reduction Plan, adopted by KC County Council in November 1993.
	Floodplain Mapping Program
	Surface Water CIP Program
	Drainage and Habitat Improvement Program (DHI)
	Water Intake (Ecology) & Withdrawal of surface or ground water (Ecology)
	Stormwater system improvement projects

Whidbey Action Area Programs

Organization	Program Name
King County	Low Impact Development (LID)
	Stormwater Policy & Regulations
	Storm Water Pollution Prevention Plan and spill Control Plan
	Surface Water Design Manual (SWDM)
	King County Roads Maintenance
	stormwater outreach program (under development)
	required stormwater characterization
	PHSKC - Stormwater Source Control under Puget Sound Initiative
	Diverting effluent into beneficial water reuse projects
	King County Comprehensive Plan
	Utilities Technical Review Committee (TURK)
	Coordinated Water System Plan with Cascade Water Alliance
	Regional Water Supply Planning
	Groundwater Protection Program
Hydrologic Monitoring Program	
King County Conservation District	Rain Garden Education
	Low Impact Development
Skagit Conservation District	LID Pilot Program
	Stormwater/LID Education Program
	Storm Drain Stenciling Program
skagit conservation Education Alliance	PortaPotty@Rec Areas
Skagit County	Big Lake Water Reclamation Facility
	Instream Flow Rule Implementation Program
	Instream Flow Rule Implementation Program
	USGS Lower Skagit River Basin Groundwater
Snohomish County	River Flood Emergency Response Program
	Drainage and Flood Hazard Management
	Groundwater program
	Stormwater management
	NPDES Compliance
	Drainage Complaint Response
road and property flooding	
Stillaguamish Tribe	Stillaguamish Natural Resources Program
Surfrider Foundation	Snowrider Project
Tulalip Tribes	Water Rights Program
	Reservation Groundwater Mapping
Whidbey Island Conservation District	Town of Coupeville Reclaimed water feasibility study
Human Health & Quality of Life	
City of Arlington	Communications
City of Carnation	Parks and trails master plan
	Economic development strategy
	Affordable housing receives density bonus, waiver of impacts fees
City of Marysville	Shoreline Master Program
City of Snoqualmie	Hazard Mitigation Plan
	Shoreline Master Program
City of Stanwood	Landscape Performance Standard

Whidbey Action Area Programs

Organization	Program Name
City of Sultan	2004 Comprehensive Plan
King County	Flood Warning and Emergency Response
	Regional Trail Projects: Green River Trail, Snoqualmie Valley Trail and Cedar River Trail
	Urban and Rural Local Parks:
	Urban and Rural Regional Parks Development:
	Pools:
	General government projects: These project are tenant improvements, rehabilitations, remodels, with some new structures.
	Local Hazardous Waste Management Program in King County
	Built Environment and Land Use program within Environmental Health Division of Public Health/Seattle and King County (PHSKC)
	Puget Fresh - Promotion of locally grown food
	Local Hazardous Waste Management Program (PHSKC)
	Freshwater swimming beaches
	Regional parks and open space
	Regional trail system
	Rural Economic Strategy
	Waste Reduction and Recycling
King County Wastewater Treatment Division tracking and reporting	
King County Conservation District	Well-Head & Ground Water Protection
Port of Anacortes	Shoreline Public Access projects
Port of Everett	Public Access Program
Skagit Conservation District	Watershed Planning Assistance to County
	Shellfish Bed PSP Monitoring
	Firewise Communities
	Community Wildfire Protection Planning
	Youth Conservation Education Program
Skagit County	Septics 101 and 201 classes
Skagit County Public Health Department	Skagit County Public Health On Site Sewage Program
Snohomish County	Stewardship Program
	Adult, Youth & Teacher Education
	Targeted Behavior Change Programs
	Public Information & Resources
Stillaguamish Tribe	Stillaguamish Tribal Health Services
Whale Watch Operators Association Northwest	Whale Watch Operators Association Northwest
Whidbey Island Conservation District	Farm Sustainability Program

Whidbey Action Area Programs

Organization	Program Name
	Other
City of Arlington	Tree City program Clean Air assessment City wide recycling program
City of Marysville	Downtown Master Plan Smokey Point Master Plan
Island County Marine Resources Committee	Shore Stewards Marine Resource Signage Pigeon Guillemot Breeding Survey Cornet Bay Nearshore Restoration Estuary Seining Community Advisory and Stewardship Low Impact Development (LID) Feasibility Assessment and Partner Support Salmon Recovery Adaptive Management Planning "Getting the Waters Edge" Book Port Susan Marine Stewardship Area
King County	SEPA Response Coordination River Facility Maintenance and Repair Program Volunteer Program Educational and Interpretive Programs multiple - KCDOT Road Services Division, Road Maintenance Section NPDES compliance (Ecology) Wastewater Treatment Division - Environmental Mitigation 2008 Climate Change Response Plan for Roads Services Division Green Power Program, King County Climate Plan Environmental Behavior Index HealthScape
Northshore School District	Camp Casey: Fifth Grade Camp King County Surface Water Management School Chemistry in the Community Hydrologic cycle/Wetlands Watershed Festival
Northshore Utility District	Water Conservation and Water Quality Presentation Public Information Facilitation of Seattle Utility Program
Northwest Straits Commission	Island Marine Resources Committee Skagit Marine Resources Committee Snohomish Marine Resources Committee

Whidbey Action Area Programs

Organization	Program Name
People For Puget Sound	Advocacy For Climate Change Reduction
Recreation and Conservation Office	Forum on Monitoring Salmon Recovery and Watershed Health
Skagit River System Cooperative	Climate Change Modelling
	Climate Change
Snohomish Country Planning & Development	Climate Change
Snohomish County	Climate Change
Stillaguamish Tribe	Stillaguamish Tribal Cultural Program
Whale Watch Operators Association Northwest	On-board naturalists
