

ACTION AGENDA UPDATE PARTNER WORKSHOP

PROTECT AND RESTORE MARINE AND MARINE NEARSHORE ECOSYSTEMS

Thursday, September 15, 2011
Rhodes Center – Tacoma, WA

Objectives

- *Information sharing about work on revising strategies and sub-strategies for the 2011 Action Agenda update*
 - *Review in detail each of the pressure reduction/priority strategies and sub-strategies, and briefly review each of the non-pressure reduction strategies and sub-strategies*
 - *Gather feedback on ideas for changes or improvements to existing strategies and sub-strategies*
-

- 9:30-9:40 Opening and Introductions (10 minutes)**
- 9:40-9:50 Context for Today's Discussions (10 minutes) (Martha Neuman/Elizabeth McManus)**
- Role of these September Workshops
 - Strategy/Sub-strategy work to date: who, how, what
- 9:50-10:20 Overview of All Strategies/Sub-Strategies (30 minutes) (Martha Neuman/Elizabeth McManus)**
- Full suite of strategies/sub-strategies planned for the Action Agenda
 - Today's focus
 - Questions/answers
- 10:20-11:10 Review and Discussion of Priority Marine and Nearshore Ecosystem Strategies/ Sub-Strategies (50 minutes) (Todd Hass)**
- Protection of marine and nearshore ecosystems that still function well
 - Implement and maintain priority ecosystem restoration projects in marine and marine nearshore ecosystems
- 11:10-11:20 Break (10 minutes)**
- 11:20-12:20 Review and Discussion of Other Marine and Nearshore Ecosystem Strategies (60 minutes)**
- Support economic viability of working waterfronts to help maintain ecosystem function and sustain quality of life (TBD)
 - Promote public access and use of waterfronts and marine systems (TBD)
 - Protect and recover marine and marine nearshore species (TBD)
 - Invasive species prevention and response (Kevin Anderson)
 - Strategies and actions to flow from the Biennial Science Work Plan effort (Ken Currens)

Action Agenda Update Partner Workshop #3, September 15, 2011

Protect and restore marine and marine nearshore ecosystems

12:20-12:50 Review Package of Strategies/Sub-Strategies, Fill Gaps, Come Back to Any Nagging Issues (30 minutes)

- Taken as a whole, do these strategies and sub-strategies work together?
- Review parking lot of strategy and sub-strategy ideas; anything to add?
- Other observations on the day

12:50-12:55 Other Engagement Opportunities (5 minutes)

12:55-1:00 Wrap-up and Next Steps (5 minutes)

1:00 Adjourn
