

Developing Strategies and Actions to Reduce Pressures on the Puget Sound Ecosystem

The 2011 update to the Action Agenda will focus on developing strategies and actions that help achieve targets for reducing five pressures on the Puget Sound ecosystem:

- Shoreline alteration
- Runoff from the built environment
- Land development
- Wastewater
- Loss of floodplain function

Interdisciplinary teams are leading this work. Team membership and contact information for team conveners is listed below.

Shoreline alteration (marine & freshwater) including nearshore restoration

Todd Hass, Partnership staff convener (todd.hass@psp.wa.gov)

George Blomberg, Port of Seattle

Margen Carlson, Washington Department of Fish and Wildlife

Randy Carman, Washington Department of Fish and Wildlife

Patty Charnas, Kitsap County

Tom Clingman, Washington Department of Ecology

John Gabrielson, Environmental Protection Agency

Ryan Larsen, City of Anacortes

Jeanette McKague, Washington REALTORS

Doug Meyer, People for Puget Sound

Lisa Randlette, Washington Department of Natural Resources

Morgan Schneidler, Puget Sound Partnership

Peter Skowlund, Washington Department of Ecology

Naki Stevens, Washington Department of Natural Resources

Curtis Tanner, Washington Department of Fish and Wildlife

Heather Trim, People for Puget Sound

Runoff from the built environment

Bruce Wulkan, Partnership staff convener (bruce.wulkan@psp.wa.gov)

Allison Butcher, Master Builders Association of King and Snohomish Counties

Dana Deleon, City of Tacoma

Karen Dinicola, Washington Department of Ecology

Jenny Gaus, City of Kirkland

Mary Knackstedt, Washington Department of Health

Chris May, Kitsap County

Doug Navetski, King County

John Palmer, U.S. EPA Region 10

Tom Putnam, Puget Soundkeeper Alliance

Larry Schaffner, Washington Department of Transportation

Jim Simmonds, King County
Naki Stevens, Washington Department of Natural Resources
Chris Wilke, Puget Soundkeeper Alliance

Land development

Judith Leckrone Lee, Partnership staff convener (Judith.Leckrone.Lee@psp.wa.gov)
Neil Aaland, local government
Leonard Bauer, Washington Department of Commerce (alt)
Jaclyn Ford, Washington Department of Agriculture
Kim Harper, Washington Department of Ecology
Angie Homola, Island County
Abby Hook, Tulalip Tribes
Larry Keeton, Kitsap County Department of Community Development
Katie Knight, Washington Department of Fish and Wildlife
Sandy Mackie, Association of Washington Business
Jeanette McKague, Association of Washington Business (alt)
Kelly McLain, Washington Department of Agriculture
Ivan Miller, Puget Sound Regional Council
Doug Peters, Washington Department of Commerce
Naki Stevens, Washington Department of Natural Resources
Chris Townsend, Puget Sound Partnership
Tim Trohimovich, Futurewise
Ron Wesen, Skagit County Commissioner
Daryl Williams, Tulalip Tribes

Wastewater (including sewer systems and on-site sewage systems)

Duane Fagergren, Partnership staff convener (duane.fagergren@psp.wa.gov)
Dave Bergdolt, Brown and Caldwell
Michael Brett, University of Washington
Betsy Cooper, King County
Sue Davis, Thurston County
John Eliasson, Washington Department of Health
Stuart Glasoe, Washington Department of Health
Keith Grellner, Kitsap County
Bob Hager, Lower Hood Canal Watershed Coalition
Jo Ellen Henry, U.S. Environmental Protection Agency
Julie Horowitz, Hood Canal Coordinating Council
Terry Hull, Enterprise Cascadia
Mary Knackstedt, Washington Department of Health
Andrew Kolosseus, Washington Department of Ecology
Denise Lahmann, Washington Department of Health
Mindy Roberts, Washington Department of Ecology
Randy Shuman, King County
Art Starry, Thurston County
David Stensel, University of Washington
Naki Stevens, Washington Department of Natural Resources
Corinne Story, Skagit County

Mark Toy, Washington Department of Health
Dave White, King County

Loss of Floodplain Function

David St. John, Partnership staff convener (david.st-john@psp.wa.gov)
Neil Aaland, local government
Eric Beamer, Skagit River System Cooperative
Tim Beechie, NOAA
Bob Carey, The Nature Conservancy
Mark Carey, Department of Homeland Security
Alan Chapman, Lummi Nation
Tom Clingman, Washington Department of Ecology
Tim Devries, Skagit County
Jeanette Dorner, Puget Sound Partnership
Mark Eberlein, Department of Homeland Security
Barry Gall, Department of Homeland Security
John Graves, FEMA
Alan Hamlet, University of Washington
Julie Henning, Washington Department of Fish and Wildlife
Abby Hook, Tulalip Tribes
Tim Hyatt, Skagit River System Cooperative
Deeann Kirkpatrick, NOAA
Katie Knight, Washington Department of Fish and Wildlife
Christopher P Konrad, USGS
Steven Landino, NOAA
Patricia Olson, Washington Department of Ecology
George Pess, NOAA
Rebecca Ponzio, Puget Sound Partnership
Kit Rawson, Tulalip Tribes
Scott Redman, Puget Sound Partnership
Cynthia Rossi, Point No Point Treaty Council
Byron Rot, Jamestown Sklallam Tribe
Michael Rylko, US EPA
Tom Sibley, NOAA
Dan Siemann, National Wildlife Federation
Kathy Taylor, Washington Department of Ecology
Jim Weber, Northwest Indian Fisheries Commission
