1. INTRODUCTION

1.1. PURPOSE AND BACKGROUND

The Washington State Puget Sound Partnership, hereafter called "AGENCY," is initiating this Request for Proposals (RFP) to solicit proposals from individuals and organizations interested in participating on a project to write articles for the Puget Sound Starts Here Web site and campaign www.pugetsoundstartshere.org.

The purpose of this project is to increase the written, photographic, and video content shared on the Puget Sound Starts Here web site and social media networks. One of the goals of the campaign is to rekindle an emotional connection between area residents and Puget Sound. The campaign is searching for first person stories that celebrate what connects people and place, from the mountains to the Puget Sound.

Puget Sound Starts Here is a regional campaign, supported by the AGENCY and many of its partners. The campaign was initiated in 2010 to help raise awareness about the health of Puget Sound, and promote individual behaviors citizens can do to help improve the Sound's water quality. The next phase of Puget Sound Starts Here is intended to continue that momentum, but also to demonstrate the connection between the people in the region and Puget Sound. Stories and articles and pictures will be used to help show that connection.

CONTENT DIRECTION:

1. Connected by geography – It's one big neighborhood, with 2,500 miles of shoreline and hundreds of rivers and streams that empty into it.
2. Connected by an active lifestyle – It's one big playground, where we fish, crab, boat, ski, paddle or row, dive, swim, snow sports, whale watch, beachcomb, and more...
3. Connected by thriving industry – It's one big marketplace, supporting commercial fishing, millions of tourists and shipping containers through the Ports.
4. Connected by it's natural beauty – It's a canvas for picturesque backdrops, majestic sunsets, and hundreds of living plants and animals.

1.2. OBJECTIVES AND SCOPE OF WORK

This fall, the Partnership and partners will launch the second phase of the Puget Sound Starts Here campaign and Web site. Upon receipt of a protest, a protest review will be held by the AGENCY. The AGENCY Director or an employee delegated by the Director who was not involved in the procurement will consider the record and all available facts and issue a decision within five (5) business days of receipt of the protest. If additional time is required, the protesting party will be notified of the delay.

The final determination of the protest shall:

- Find the protest lacking in merit and uphold the AGENCY's action; or
