

**Proposed Roles and responsibilities of Leadership Council members in the Action Area:**

Leadership Council members can play an important role within their assigned Action Area. This role could include,:

- Support the Action Agenda, Puget Sound Partnership and our mission within the Action Area
- Understand the unique socio-political dynamics of the action area.
- Be cognizant of the broad diversity of “partnership” interests within the Action Area.
- Assist with building momentum and interest around commonly agreed upon priorities.
- In collaboration with Partnership staff and the action area ECB representative, assist with increasing social and political support for implementing priority near term actions within the action area.
- Be aware of, and support, local integration.
- Help in amending the Action Agenda where circumstances warrant.
- Speak at Leadership Council meetings about unique characteristics of the Action Area and how those characteristics should be recognized in Partnership policy.
- Represent the Partnership in the Action Area and speak as requested by local organizations about the Partnership’s work
