

A close-up photograph of the front of a white car, showing a heavily soiled bumper and grille. The car is covered in a thick layer of grey and brown dirt, obscuring the original color and texture of the paint and plastic. The background is a blurred blue wall.

I GET DIRTY.

You take me to a car wash. Any questions?

USE A COMMERCIAL CAR WASH

Puget Sound is in trouble and you can help fix it. Washing your car at home dumps oil, brake pad dust and solvents - along with soap - into storm drains, local waterways and ultimately Puget Sound. Try using a commercial car wash. Learn other ways you can protect water quality.
