

A photograph of two young girls, one with blonde hair and glasses wearing a light green shirt, and another with brown hair and glasses wearing a pink shirt. They are both crouching on a dirt mound, holding a small evergreen tree with its root ball. The background is a lush green forest under a clear blue sky. An orange speech bubble is overlaid on the top right of the image.

I REDUCE POLLUTION.
You plant me. Any questions?

PLANT TREES AND SHRUBS TO CAPTURE RAINWATER

Puget Sound is in trouble and you can help fix it.

Trees reduce toxins that flow into storm drains, streams, and ultimately into the marine waters of Puget Sound.

Plant trees and shrubs to reduce flooding and pollution.

Learn other ways you can protect water quality.
