

Directions to Western State University (WSU) Research & Extension Center in Puyallup

Address: WSU Research Center
Allmendinger Center
2606 West Pioneer
Puyallup, WA 98371-4900

Southbound on I-5 (From Bellingham and Seattle)

- Take I-5 South to exit 135 to WA-167 North (28th St). This exit will put you onto Bay Street that goes back under the freeway and connects to River Road. Get in the right lane.
- Turn right onto Pioneer Way East at the intersection where the road splits.
- Continue on Pioneer Way East. This curves around and comes to the intersection at Canyon Road and Pioneer Way E. Here, Pioneer Way East turns into Pioneer Avenue East.
- Continue on Pioneer Avenue East to the next light. This is the intersection of Pioneer Way, 72nd, and Woodland Ave. Turn left at this intersection. Immediately get in the right hand lane.
- The WSU entrance is just past the old gray and crimson colored Victorian house on the right.

Northbound on I-5 (from Olympia and Portland):

- Take I-5 north to exit 127 (Puyallup-Mt. Rainier) onto Hwy 512 East.
- Take the 4th Puyallup exit (Pioneer Way).
- Turn left on Pioneer Way heading west.
- Go 2 miles through Puyallup (from Meridian go through 3 stop lights). There is a sign with Washington State University Research & Extension Center on the left just past Fruitland Ave.
