

# Duwamish / Green

Salmon Recovery Planning Area

Land Ownership		Land Cover - Land Use	
	Federal Lands		Commercial & Residential Uses
	State Conservation Lands		Agricultural Uses
	State Trust Forest Lands		Disturbed Lands
	County & Municipal Conservation Lands		Freshwater Wetlands
	Private Conservation Lands		Undeveloped Uplands
	Native American Tribal Lands		

Interstate Highways  
 State & US Highways  
 Secondary Roads  
 County Boundaries  
 Rivers, Lakes, Streams and Estuaries

Land ownership data has been overlaid on land cover / land use data to provide a useful context to communicate relative protection. Land cover / land use classification was derived from the USGS National Land Cover Database (1992). Land ownership in King County was derived from WA DNR data layers and may not include all county, municipal and private conservation lands.
